

My Testimony...how God saved me!

This is a place I have volunteered a lot! I remember there was a time when I couldn't even look over at this booth because the conviction was so strong!

I had 3 abortions, before I knew Jesus. The last time I got pregnant, my brother offered for me to go live with him and his wife in Austin, have the baby and give it up for adoption... But I had heard a phrase, "Children are a gift from God." I had no idea it was in the Bible. I decided if children were a gift from God they had to be good!

So I asked Jesus to save me. I stopped running from responsibility and decided to keep my son...I still wasn't married... and made a commitment to God to remain abstinent until I was. I raised him alone... without any support from anyone. There were times I didn't know how I would pay the bills or feed him... But God! Now he is a responsible married adult. My greatest GIFT!!! I used to tell him... he was an evangelist... Even before he was born... Because God sent him to lead me to Jesus!

So he and I would volunteer here for years and years and tell people about the grace of God.

If you had abortions, know that Jesus' blood is sufficient to wash to you clean. Though our sins be like scarlet they will become white as snow. Receive his grace today... His healing power! He loves you!!!
