Where Do the Candidates Stand on Life?

Richard Burr

Deborah Ross

Abortion on Demand

Richard Burr is pro-life. He opposes abortion on demand, and supports protection for unborn children.

Deborah Ross supports a policy of abortion on demand, which allows abortion for any reason.

Richard Burr co-sponsored and voted to advance the Pain-Capable Unborn Child Protection Act (H.R. 36).

Richard Burr supports the Dismemberment Abortion Ban Act, a bill to ban a common and brutal method of abortion in which the living unborn child is torn apart limb from limb.

Taxpayer Funding for Abortion

Richard Burr voted against the use of tax dollars to pay for abortion (Roll Call No. 55, 3/22/13).

Deborah Ross, as a North Carolina state representative, worked to continue the use of tax dollars to pay for abortion in North Carolina.

Parental Notice Before Abortion

Richard Burr voted for a bill to require an abortionist to notify at least one parent before performing an abortion on a minor girl from another state.

Deborah Ross, as executive director of the ACLU's North Carolina chapter, fought to overturn North Carolina's parental consent laws.

Government Funding for Abortion Providers

Richard Burr voted for passage of a budget reconciliation bill (H.R.3762) that would defund Planned Parenthood, the nation's largest abortion provider.

Deborah Ross pledged to fight to continue providing government funds to abortion providers.

Obamacare Health Care Law

Richard Burr voted against the Obamacare law. He is committed to reversal of the abortion-expanding and rationing effects of that law.

Deborah Ross supports Obamacare, which provides government funding for insurance plans that pay for abortion on demand, and will lead to the rationing of lifesaving medical treatments.
